THE CAMBRIDGE
INDGE AND LATIN SCHOOL

CAMBRIDGE RINDGE AND LATIN SCHOOL
CAMBRIDGE, MASSACHUSETTS

FORWARD

A school is many things to many people. For some it is a place to meet friends, to find themselves through education, athletics, extracurricular activities, and the other multitude of things offered here at CRLS. The purpose of a yearbook is to capture the spirit of the school year. It's an attempt to show in words and pictures the events that took place during the year. We know that it is impossible to cover all things and all people but we have tried. The one question that will be constantly asked is why there are so many underclassmen in **OUR** book. While we admit that the Senior class plays a dominant role in our school and the major portion of our yearbook should be about the **SENIOR YEAR,** we feel that a yearbook reflects the **ENTIRE SCHOOL:** thus Seniors, Juniors, Sophomores, and even Freshmen have been included. Some may agree with this, some may not, but we have **BEGUN.** So here **GOES!! THE YEAR IN REVIEW!!**

Juniors Invade Riverside Park

INTERNATIONAL

A day in the sun; a great chance to improve **CLASS SPIRIT,** that was what the Junior Class trip was all about. For the second year in a row, a CRLS junior class chose Riverside Park as the site for the class trip. Friends, classmates and teachers enjoyed a day of enormous fun and excitement. From students drenched from the **LOG** ride, to others dizzy from the **ROLLER COASTER** and the **"LOOP,"** everyone had an adventure to report!! Some people spent money trying to win prizes, stuffed animals and other "amusement park" type **GOODIES.** Even the bus ride home revealed to us some "unusual" sights, but we won't dwell on this "unpleasant" happening. All in all those students and teachers who had taken part in the outing seemed to enjoy their **FINAL FLING** as Juniors at CRLS!! It proved to be an excellent start on the "Sunny Days of Summer"!!

THE COLLEGE FAIR

Engineering

What's your enrollment?? How much financial aid can I receive?? What kind of reputation does your athletic program have?? It went on and on!! From station to station the same questions were asked of the many college representatives present. For a second year, CRLS and many other metropolitan Boston schools, were hosted by Bentley College for this special event. We left school around nine o'clock and arrived at Bentley's spacious campus within thirty minutes. Even though there were hundreds of colleges and universities present, each student seemed to go directly to those that they were familiar with or where relatives had gone and were presently attending. Students left the "Fair" loaded with **BROCHURES,** applications, catalogues, and other information that would allow them to make the best possible choice about their college years. This adventure proved to be successful and beneficial to the guidance staff, who renewed acquaintances with the college **REPS** and renewed their supply of college **MATERIALS.** All questions were not answered but we were able to start on the long road through Senior **YEAR** and toward college.

The diversity of our student body proved to be one of our greatest strengths. We had to recognize these differences and grow and learn from meeting people of other races, programs and neighborhoods.

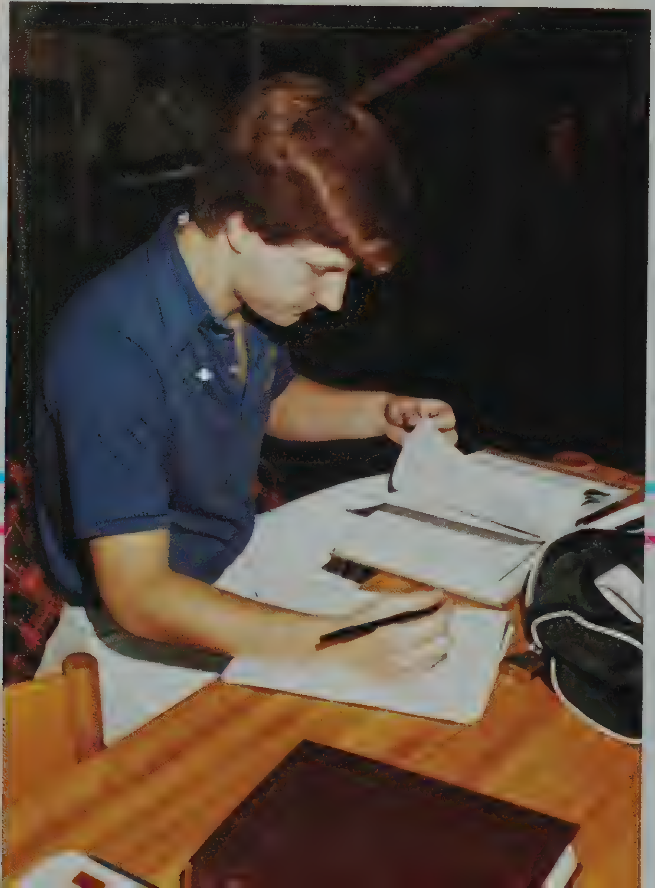
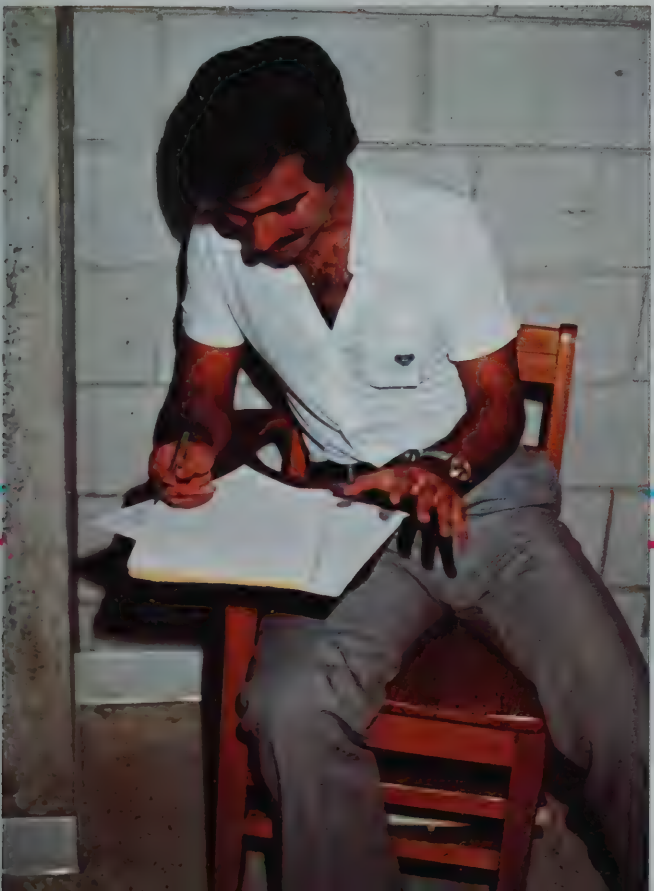
The courses offered us proved as diverse as our population. We chose those which best fitted into our future plans.

THE AMERICAS

A new and innovative course created and taught by two CRLS teachers started this year. The course, entitled **" THE AMERICAS",** is a part of the Social Studies curriculum. It stressed the history, geography, and economics of Latin America. Brian Mooney and Arnie Clayton co-taught this exciting course made up of forty students. Twenty of the students were Americans who spoke and read Spanish and twenty were Hispanic students who spoke and read English. A portion of the course was taught by Mr. Dennis Sullivan of the Berkeley School of Music. On four successive Wednesdays the students were taught the history and musicology of the music they listen to. This musical study dealt with the roots of African and Latin American rhythms. Pictured on these pages is one of those Wednesday afternoon classes in which students learned to play many of the musical instruments of Latin America.

WE CAN START WITH MUSIC!!





There wasn't a day at school when friends didn't get together between classes to share thoughts, and smiles. Those short moments are what we will always recall with fondness.

Students and teachers spent many hours helping and learning from each other. Even though at times it seemed we were against each other, we had the same goals; improving ourselves and thus our society.

DEDICATION

Ms. Marie McCabe

For many years Ms. Marie McCabe has served the students of the Cambridge high schools in various capacities. In each of these she has served well and her success is measured by the friends she has made while serving.

Ms. McCabe served as a Modern Language teacher at Cambridge High and Latin School for many years. Her students found her to be interesting and learned from her. Her successes here allowed her to move into the position of Assistant Headmaster. She proved to be a valuable asset to the students, teachers, and other administrators with whom she worked.

Since September 1979, Ms. McCabe has served in the CRLS main office performing many duties, including School Registrar. In the capacity of School Registrar, she was, at many times, the first person students and parents who were new to the school met. She always greeted them with a smile and understanding. For this we thank her.

Even though many members of the Class of 1981 have had no direct contact with her, her value and service to the students and teachers of Cambridge must be recognized. Therefore, because of the long service given by her to the students of Cambridge, we dedicate the 1981 Yearbook to Ms. Marie McCabe.

We wish her the best in the coming years. We will miss the smile, the kind words, and most of all, the gentle understanding. We hope she wills these traits to each of us who remains.

Ms. Phyllis Walcott

Ms. Walcott has served the students of Cambridge High and Latin and Cambridge Rindge and Latin for many years. She first served as a provisional teacher from 1961 to 1964. She returned to CHLS in 1969, being the first Black to be appointed as a permanent teacher. Ms. Walcott returned to a school which had witnessed racial strife and misunderstanding among its students. Fortunately, into this situation walked a lady equal to the task before her. Not only did she prove to be a positive role model for Cambridge students, but also for the young teachers who came to CHLS a year later. She served as an active member of the Science Department and was well respected by her colleagues and students. Ms. Walcott's legacy to the students of this school is a curriculum on Black Scientists that will be offered by the Science Department.

As Ms. Walcott approaches retirement, she is not as active as she once was. Illness has slowed her walk, but it hasn't dimmed her spirit or determination. Those of us who will be left to complete the task and carry on the work are inspired by the example she set.

In recognition of her dedication and inspiration, we proudly dedicate the 1981 Yearbook to Ms. Walcott. Members of the staff and student body will miss her but we are glad we knew her. We wish her the best in the years to come.

HALLOWEEN

The 3rd Annual Halloween Party, sponsored b Senior class, brought forth much more than crazy tumes and a lot of laughs. Good friends grew c together as the fun-filled times rolled by, and the r made new friends easy to find. Once again prizes awarded for the best costumes, as strange dances dancers) captured the spotlight.

Trick or Treat?!

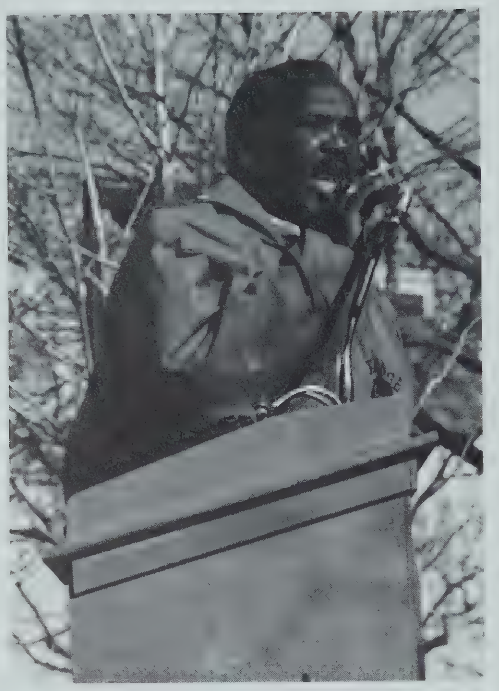
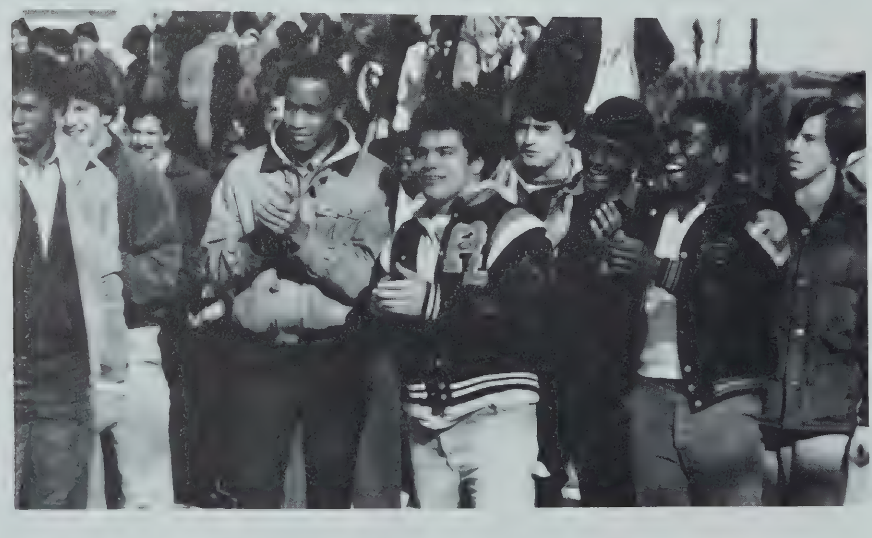
THE FOOTBALL RALLY



Coach Greenidge addresses rally.

Tri-captain Ed Sullivan



Will there be a rally?? We want a rally! We have always had a rally!! These concerns were heard throughout the school prior to Thanksgiving. The administration had said that because of the renovation of the War Memorial there was no place to have the rally. With a little pressure from "the Coach" and the cooperation of Mr. Lukas, there was a rally.

The event took place in the "Great Outdoors" as the sun shone down on us. The team and the student body exhibited much spirit and exuberance, and once again the traditional football rally took place.

CRLS MARCHING BAND

Mayor Francis Duehay talks about Proposition 2½. Mayor Duehay, an opponent of Prop. 2½, talked with members of Mr. Conward's fourth period U.S. History class. The mayor explained how the passage of 2½ would affect the city of Cambridge, especially the School Department. After his presentation the mayor answered questions posed by the class.

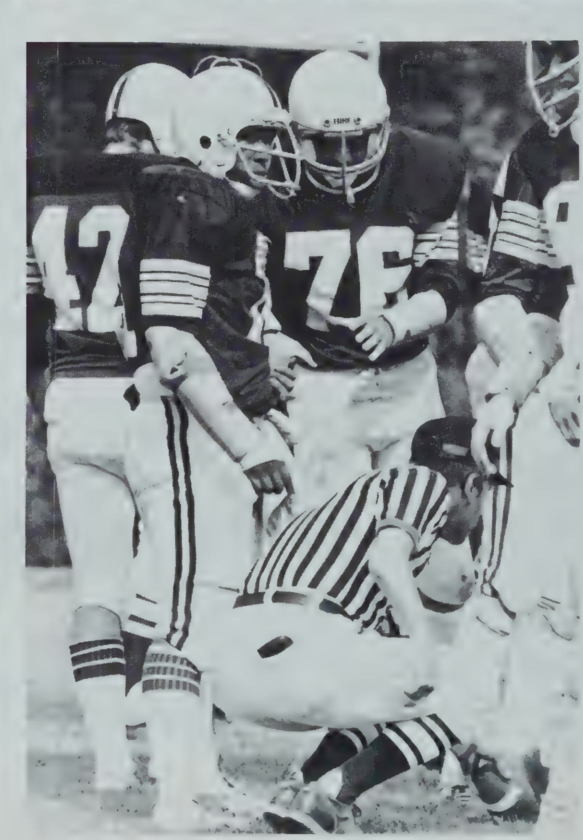
THE ACTION

Defensive back coach Ray McCann talks with Tony Carroll.



The CRLS Warriors started the 1980 football season with a close victory over Quincy. Unfortunately, the rest of the season did not go so well, finishing with a 2 and 8 record. Though the season was not a winning one, the Warriors had many outstanding players who executed numerous great plays. Among these players were seniors Phil and Chris Carey, Byron Lowe, Jimmy Derosiers, Ed Sullivan, Hondo Keough, Billy "Wolfie" Mahoney, and Howie Major, and juniors, Bob Hoog and quarterback Mike Harshbarger.

This year's team ended the season on an up-tone, tying a strong Weymouth South Team. This brought the record to 3-12-4, and for this young team next year should show a great deal of improvement. Although the record was not a winning one, the season was filled with a lot of joy and friendships were made. We can look back on the outstanding play of Lulu Keohane, Julie Corey, Liz Hutchinson, Heloise Rodriquez and a host of others and see the dedication the team had. Hopefully, through our play in the spring and over the summer, the 1981 season will be the start of a winning tradition at CRLS.

BOYS SOCCER

The 1980 soccer season ended with the team compiling a winning record of 7-5-4. The team proved to be exciting to watch because there were many close games. Some were lost and some won. The team displayed a strong defense anchored by senior co-captian David Jones. He was strongly supported by goalie Luis Branco, who had many spectacular saves during the season.

The offense was led by co-captain Hugo Ruperti, Joe Mendonca, Marcos de Oliveria and Vincenzo Sasso. Sasso was the team's leading scorer with a total of seven goals. At season's end three members of the team were named to the Suburban League All-Star team: David Jones, Hugo Ruperti and Marcos de Oliveria. David Jones was again honored by being chosen to the Boston Globe All Scholastic team.

VOLLEYBALL

Although the season ended on a down note, the failure to make the state finals, the season as a whole was definitely successful. Led by senior captain, Peggy Shinkwin, and new coach Linda Town, the team finished second in the Suburban League. They also qualified for the state tourney and went on to capture the Northern Division title. This feat was accomplished after the courts ruled that the team was eligible to participate despite an attempt by the MIAA to keep the Cambridge teams out of the Fall Sports Tournaments.

In the tournament the team defeated strong Westwood and Boston Latin teams to win the title and qualify for the state semi-finals. Unfortunately they did not play up to their usual standards and were knocked out at this level.

In addition to the steady play of Peggy Shinkwin, other members who made notable contributions were fellow senior Karen Dennehy, and super juniors Carol Thomas, Tina Girard, Janet and Joan McKenney, Maria DiClemente, and Leslie Quan.

Coach Maguire checks finishing times as team members look on.

As the warm sunny days of September turned into the cold windy days of November, the dream of a second consecutive Suburban League title faded. After winning over 14 straight dual meets, the team lost to a strong Newton North team, thus our hopes of becoming champions again were dashed. The season's record of 6-3, however, was still good enough for a third place finish in the league.

The CRLS Harriers also finished fourth in the state Division One meet. This year's team was led by Bob Sheehan and Paul Richards, both of whom were selected to the league All-Star team. The supporting cast included senior captain, Chris Lange, Mark Hart, John Cotter, Eric Brown, Bob Thibadeau, and Hans Hagen.

Led by "Super Soph" Thayer Plante, the 1980 edition of Girls Cross Country did very well and finished third in the Suburban League meet. This was indeed a rewarding way to end the season. In the league meet Thayer finished first and the team placed four other members in the top twenty. Anya Stroud finished a respectable 13th and senior captain Jeannette Belcher, Marion Bagley and Sarah Cox finished 17th, 18th and 19th respectively. In the state meet Thayer had one of her best times and finished third behind the Welch sisters of Peabody. The results of the league meet were the best for the team in a number of years.

Lady Hoopsters Stage Comeback

The 1980-81 girl's Basketball team has to be considered the comeback team of the year. Coming into the season unranked and virtually unrecognized by the local media, they stormed to the second Suburban League title in three campaigns.

The key to the comeback was Medina Dixon, one of the best players in the country. In an awesome display of basketball talent, Medina led the league in scoring and was tops in the rebounding category.

Even though Medina was awesome, she was well complimented by the talents of seniors Peggy Shinkwin and Sharlene Sturgis, junior Carol Thomas and sophomore Tina West. A welcome addition to this year's team was freshman Delores Williams. We will hear from her in the coming years.

Other team members making contributions to a winning effort were Karen Dennehy, Maria DiClemente, Joan McKinney, Tina Anderson, Debra Estrella and Juanita Matthews. Coach Riggs should be proud of these ladies. Although we say farewell to Medina and the other seniors on the team, the winning tradition and sportsmanship will continue into the eighties.

DIVISION ONE STATE CHAMPIONS

THE BEST IN THE LAND

The 1980-81 edition of the Cantab-Warrior Basketball team continued a winning tradition. Led by consensus All-American Pat Ewing, the team completed the regular season undefeated and nationally ranked. The toughest opponents they faced during the regular season were Suburban League rival North Quincy and two out-of-state teams, Malverne of Long Island and Wilbur Cross of New Haven, Conn.

The victory over Wilbur Cross proved to be most satisfying. The only defeat suffered over the last three seasons by a CRLS team came at the hands of the New Haven team. The rematch took place at B.U.'s Walter Brown Arena before a capacity crowd of 3,000 spectators. The win was a result of a total team effort led by Pat Ewing and Rick Jarvis.

Other highlights of the season included a third Nashua High Christmas Tourney Championship, a third consecutive Suburban League title and an unprecedented third straight Division One Championship. The play of seniors Ladon Adair, Byron Lowe, Howard Major and Kevin Headley excited the CRLS fans all season.

Lady Tracksters Run Toward Future

Consistent, this is the word that might describe the CRLS girls running efforts. They ran strong during the outdoor Cross Country season, finishing third in the strong Suburban League. They came inside to finish a strong third in the indoor track season. Consistant again was the running of sophomore sensation Thayer Plante. Ms. Plante finished first in the mile in each of her meets and captured the league title in the event. As the yearbook went to press she was a sure bet to capture league and scholastic awards for her efforts.

Even though Thayer may have been sensational, no less sensational were the other members of the team. Seniors Jackie Thompson, Alicia Carroll and Jeanette Belcher turned in outstanding performances in their events. The team is loaded with young ladies with inmense talents. They should be heard from in the league in the coming years. Some of the returning members of the team are distant runners Marion Bagley, Sarah Cox, Anya Stroud, Kelly Clinton, Meg Freeman and Val Eilert. Also looking to next year will be Feliscia Harris, Julliette Bascomb and of course Thayer Plante.

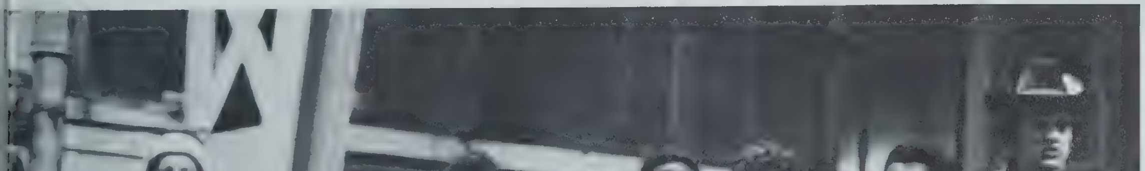
BOYS INDOOR TRACK



Young and talented are the words that described this years team. In what should have been a rebuilding year, after last years first place finish, the team captured place in the tough Suburban League. They missed another first place by the slimest of margins. The losses this season came at the hands of titlists Newton North by two points and a strong Brockton team.

Standouts for this years team included Tony Carroll, senior shot putter and sprinter; one of the state's fastest 600 men David House and junior miler Bob Sheehan. This awsome was supported by Paul Richards, Steve Torres, Hodges Brown, Hans Hagen and Pat McGurk, all of whom will returning to anchor next years efforts.

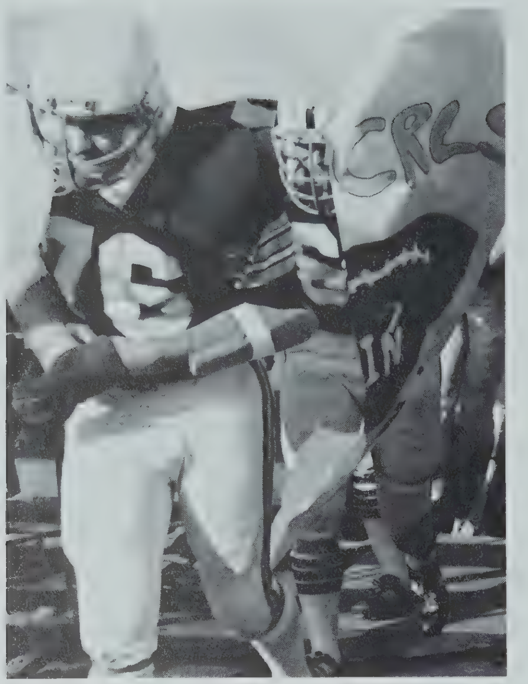
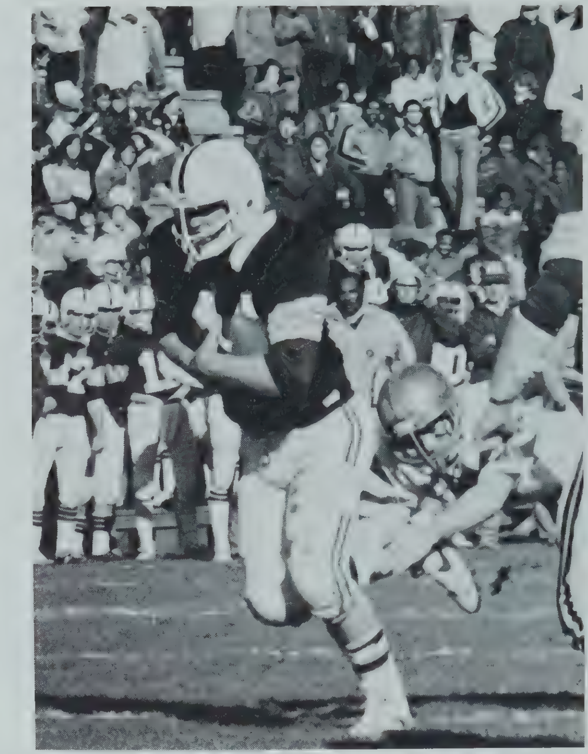
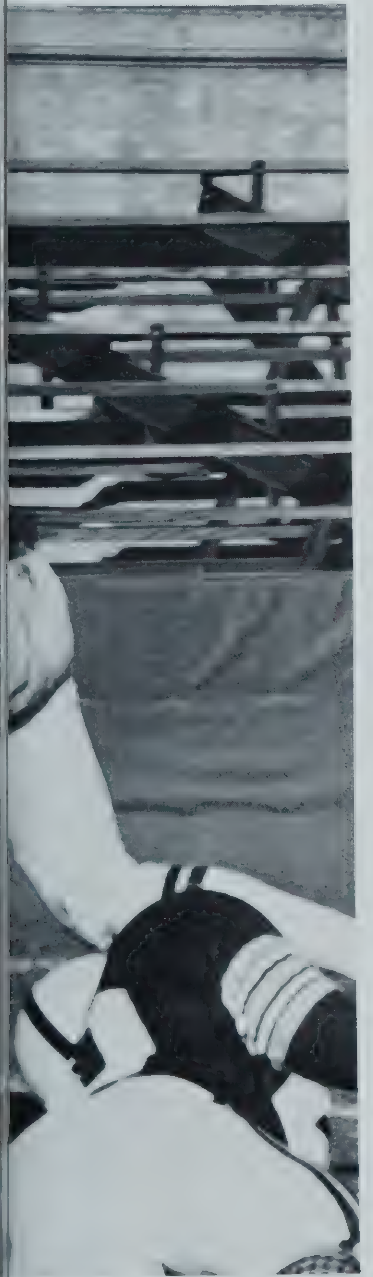
TURKEY DAY ACTION





THE TURKEY DAY GAME!!



The 1980 Thanksgiving Day Game saw the renewal of the CRLS — Don Bosco rivalry. Even though the teams went into the contest with losing records, they played a most exciting game. The excitement started on the opening kick-off as Don Bosco returned it for a touchdown, from there the stage was set.

The game saw spectacular performances by Seniors Byron Lowe and Eddie Sullivan, both on offense and defense. Special recognition chould be given to junior running back Bob Hoog, who made some hard nosed runs as the game drew to a close. Even the efforts of these gentlemen and the other team members didn't produce a Warrior Victory, the team lost 26-22. It provided for a very emotional game for those who attended.

Class Will

We, the Class of 1981, of the Cambridge Rindge and Latin School, being of sound mind (?) and body (?), do hereby bequeath the following to the members of the staff and student body of CRLS:

Ms. Chiurri — The K.B. Club and the French Club for as long as she wants.

Mr. Coccoluto — K.B. initiates who know **all** the words to God Bless America.

Mrs. Farinato — A personal secretary and the padded cell of her choice for when senior college application time rolls around.

Ms. Demetri — Wherever you go may your life be filled with frogs.

Mr. Ferriera — Several eyes, ears, arms, and legs so he can help everyone in the darkroom at the same time or a different name.

Mr. Fulginite — A punk hairstyle and step-by-step instructions to the "Loose Bootie".

Mr. Geraigery — A Christian Dior designer gown for next year's Halloween dance.

Mr. Greenidge — Students who will go to gym on Fridays, periods 6 and 7.

Mr. Haley — An Irish plaid hat and coat to match his Irish plaid pants, his Irish plaid tie, and his Irish plaid socks.

Mr. Hurley — A production company for his own T.V. show entitled, "That's disgusting"!

Mr. Jarvis — Someone to take Pat Ewing's place, or the Jolly Green Giant.

Dr. Johnson — A future chemistry class that does not make **"RUDE"** statements.

Mr. Kimbrough — A steady Yearbook staff of at least over four people.

Mr. Lipkin — The complete works of Sigmund Freud.

Mr. Lukas — A smaller school so that he doesn't have to run the three minute mile.

Mr. and Mrs. Martin — A happy, healthy baby and a year's supply of Lacoste diapers.

Mr. T. McCarthy — at least one good joke and a suit that matches.

Ms. O'Brien — A completely quiet study.

Mr. Sarasin — Nuts and a cherry for next year's whipped cream throw.

Mrs. Siriani — A future Sociology class whose responses to National surveys are "normal".

Ms. R. Smith — The rare, secret collection of Edgar Allen Poe's nursery rhymes.

Mr. J. Sullivan — A lifetime supply of security pointers and a class of future suburban housewives.

Mr. Timmons — A Driver Ed. car delivered on time, or at least before June.

Mr. Weinstein — Future biology classes that will listen to his college war stories and a lifetime supply of Ovaltine.

Patrick Ewing, Medina Dixon, Peggy Shinkwin, Byron Lowe, David House, Eddie Sullivan and the host of other Senior athletes:
Thanks for the memories — the touchdowns, the slam dunks, the one-on-one moves, the spikes, the excitement, the pleasure, the Great Moments!! We wish you the best in those college years.

Underclasspersons — The ability to cope with the changes that Prop 2½ will bring. "Remember, when you come to the end of your rope, tie a knot and hang on!!" Education IS important.

Fellow classmates — Peace, Love, Understanding and Happiness in the coming years.

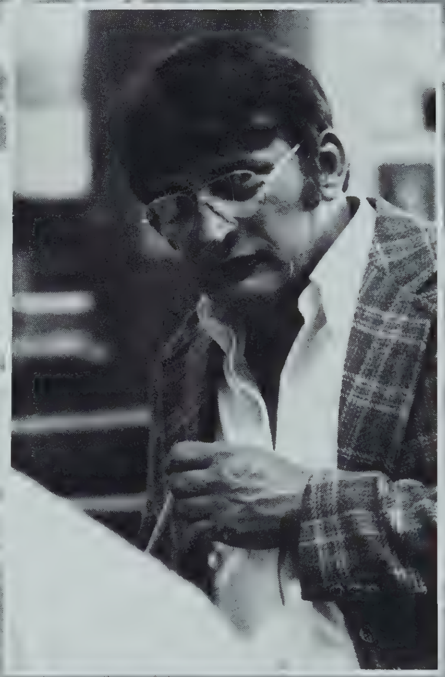
IN MEMORIAM

Ms. Eileen R. Cyr

This past year the students of CRLS lost a close friend. She was "Ma" to all who knew her. She gave a helping hand and advice freely to those who needed it. She was able to help students regardless of the problems they had.

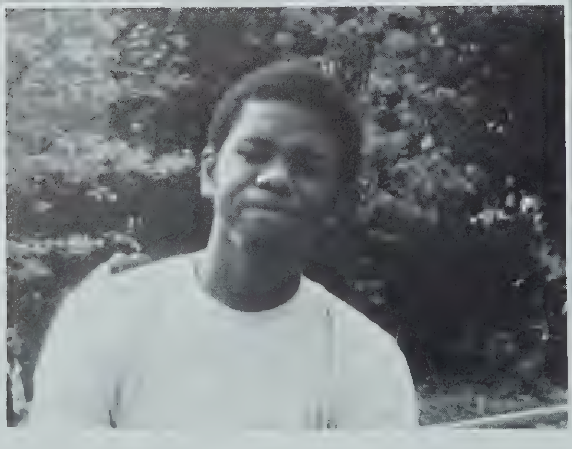
Eileen Cyr was totally committed to C R L S and the Health Assistant Program. Through the Health Assistant Program, she was able to combine teaching and nursing in an effort to aid those students interested in a career in medicine. She taught students through words and deeds, the importance, the commitment, the work and enjoyment of nursing.

Her sudden death a year ago last April was a shock to all of us. A friend to whom we had always turned to for help and advice was no longer with us. We miss her but we were enriched by her presence.



Mr. Manuel DeMello

Manny DeMello served the students of Rindge Technical School and Cambridge Rindge and Latin School from 1967 to 1980. He worked as a mechanical drawing teacher, taught machine shop and Related Drafting. Manny was liked by his colleagues and respected by his students. His untimely death, as a result of an auto accident in July of 1980, shocked and saddened us. He will always be remembered by those he taught and worked with.



Antonio Irving Britt-Cottrell was born in Boston, MA on April 6, 1964. He was the son of Mary Britt Cottrell, the late William Capers, and the step-son of William N. Cottrell.

Tony, as he was affectionately called, graduated from the Martin Luther King, Jr. Elementary School and was in his junior year at the Cambridge Rindge and Latin High School. At a young age his step-father taught him to play basketball, baseball, and football. He loved basketball best and was a dedicated and responsible member of the Junior Varsity Basketball Team in his school, at the time of his death.

He attended the Apostolic Pentecostal Church in Cambridge where he had given his life to Jesus Christ. He was a lover of peace and tried to help others in positive ways.

EPILOGUE

We walk away proudly,
although leaving behind a part of our lives.
We are now ready to walk a new path
and become individuals.
As we move forward, we will not forget what is behind;
the friendships will remain forever.
The past four years have been very influential
in making us who we are.
From this experience,
we know that we can achieve,
we can be successful,
we can be whatever we want to be.
Thank you CRLS.
We are sad to leave,
yet are eager to find what awaits us.
Perfection may never be obtained,
but the constant strive is necessary.

Farewell CRLS from the Class of 1981

Confusion say:

Ǝverything although else
ni confused may
Square is Har vard bɘ,

not Cambridge Trust.

If that sounds like Greek (or Chinese) to you, what we meant was that Harvard Square is a very confusing place to be these days. The scaffolding, excavations, noisy machinery, road crews, blocked-off streets and rerouting of traffic are due, of course, to the expansion of the Red Line. To which Confusion might add: Make much more sense to build subway first, then city.

At any rate, despite all the chaos in the Square, we want to reassure you that you'll find all of us at Cambridge Trust as unflappable as ever, provided you can find us at all.
